

# PHCS At Home- 3rd/4th Grade

*3rd/4th Grade at Pleasant Hill Christian campus is an exciting place to be! Students are becoming independent yet still LOVE to depend on their teacher for the extra nurture and encouragement needed to take the leap into becoming self-motivated scholars. Ultimately, we are intentional about addressing the whole child as they practice the love of learning!*

*Studying at home can offer unique benefits and challenges for this age group. We have taken what we learned this past spring (under Shelter in Place orders) and strengthened it to be even more adaptable for our Pumas with an emphasis on effective instruction for new material and fun activities for review. We are aiming for flexible yet significant learning at home!*

Parents/Students will receive:

- At-A-Glance Bi-Weekly Lesson Summary
- Sailor Duffel with everything your student needs to complete student activities for two weeks at a time.
- Google Classroom login for central hub where students access teacher-created videos, lessons, etc.
- “Morning Messages” will be posted each school day with greeting, announcements, and Scriptural devotion to start their day off right!
- Instructional teacher-created videos for all new material!
- Daily Emphasis on core subjects of Language Arts and Mathematics!
- Fun, hands-on projects in history and science every week!
