Middle School can be a scary time for parents as well as children. Who or what will be the greatest influencers in your child's life during this very formative time of growth?

God has given that responsibility to parents. Yes, wonderful teachers can and do come alongside parents to help educate and to mentor children, but during the middle school years it might be God equipping you to be that one!

As a parent/teacher you have opportunity to speak truth into their lives, encourage the gifts, talents and special qualities God has given your child, have fun together, create/maintain family time, ask questions, listen, have conversation and help your child develop their own ideas and beliefs!

*“Hear, O Israel: The Lord our God,
the Lord is one. Love the Lord your God with all your
heart and with all your soul and with all your strength.
These commandments that I give you today are to be on your
hearts. Impress them on your children. Talk about them when
you sit at home and when you walk along the road, when you
lie down and when you get up.”*
